Superintendents Report

I hope every one is ready for spring. We are working hard to prepare the course for the spring green up.

Over the last month the maintenance crew has been very busy. We did some minor repairs to the bridge on #10. Thanks to the Willingham's for their help on this project. The repairs will make for a much smoother ride across the bridge. We finished spraying for winter weeds on fairways, tees, and rough areas. We sprayed a total of 104 acres. We also trimmed some of the shrubbery around the club house and put pine straw in some of the beds.

In march we will be applying a pre-emergent herbicide to tees, fairways, greens, and green surrounds. The herbicide will control mostly crabgrass and some broad leaf weeds this summer.

We are going to place some sand bottles on the par three tees. Please remember to fill your divots on tee boxes and fairways.

Two dozen new rake handles have been put out around the bunkers on the course. Within a week I found three broken handles. Please don't take your golfing frustrations out on the rake handles.

Remember Judy's benefit tournament on Saturday, February, 25. I hope to see everyone there.

- ◆ With Spring fast approaching don't forget if you plan to practice a lot, we offer the annual range membership for single or families. This allows you to hit 2 bags of balls each day.
- ◆ We still have several lockers for rent in the locker room. These may be rented for \$60.00 per year and are locked up safely every night.
- ◆ Please remember the handicap fees are due and must be paid so that you will have an up to date handicap for the up coming Club tournaments.
- ◆ We are offering the 90 day trial membership again this Spring for people that might be interested in joining the Club. Also don't forget if you refer someone to the club and they join you get a free months dues.
- ◆ I have had several people approach me about us having a used golf sale upstairs one week. I am in the process of setting this up, so locate all your used golf stuff that you would like to sell. I will have more details to follow.
- ◆ Short sleeve shirts for men and women should be arriving the first couple of weeks in March. Also all winter clothing is on sale at this time.
- ◆ I am trying a new way of taking tee times for Sunday afternoon. Since most people want to play after church I am taking tee times form 12:30-1:30 on the front and back. This should allow more people to play during these times, so please take advantage of this option.

Thanks,
Brian
