Dear fellow members,

I would like to personally thank you for your hard work and assistance with the pump house project. This project would not have gone so smoothly without everyone working together. It was not in any way the sole effort of me. Thanks to Chuck Wideman, Steve Crocker, Dixon Brooks, Grady Wicker, Steve Adams, Jamie Peake, and my son, Paul Riddle for your hard work and dedication. I would also like to thank Danny Berley and Willingham Building Supplies for assistance in planning, estimation, and speedy delivery of materials and supplies. Thanks again for your hard work.

Sincerely,

Garry M. Riddle

P.S. Thanks also to staff Jonathan, Tom, and John.

## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- ◆ I want to congratulate all the winners in the 2015 Member-Guest Tournament. This was the first year we have had a strictly Member-Guest since 2010 and it was a fun tournament. Thanks to all that participated.
- ◆ This past Friday some of you may have seen some unidentified flying objects around the course! This was just 42 of us playing Nite lite golf! The technology of the balls have come a long ways and make it much more realistic to play. This tournament fills up fast so put it on your calendar for next year! The teams were all competitive this year and we had a blue moon which made it unique!
- ◆ We have moved the USC/Clemson Challenge to September 6th this year. It is my hope that mother nature will be more cooperative earlier in the Fall. This will give fans of both teams a chance to brag on their teams early!
- ◆ With Fall and Football fast approaching please continue to support us at the club as much as possible. I plane to continue to have tournaments and events for our members to participate in through the Fall and Winter. Let's continue to have a successful year!

Thanks for your support,

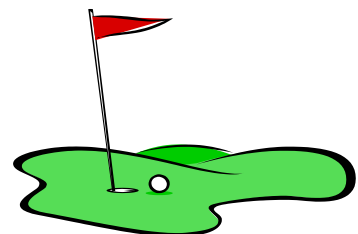

Brian

## Superintendent's Report

I have some super news to report this week. Tuesday, August 4th Brian and Jamie drove to Charlotte and picked up our new pumps for us. We will be connecting them to our irrigation system this fall. The aerification in July went well with little disruption of play. We also have gotten the dead sweet gum tree down on #5 and the limb on #15 and are continuing the cleanup of the pecan on #14. I would like to remind everyone to rake the bunkers after yourself and to please place the rakes back in the bunker.

Thanks,  
Chuck Wideman  
Superintendent
