## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

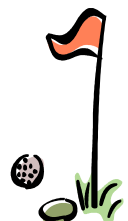

- ◆ Please do not forget to sign up for the Clemson/USC Challenge. We thought it was best to reschedule since the weather was so cold. Please sign up by Saturday, Dec. 7th if you plan to participate.
- ◆ The club has for sale 2 small lots or these could be combined for 1 lot . These lots are located on the corner of Fairway Drive and Sand trap Road behind the Country Club property. Contact    Brian or Bud for more information.
- ◆ With the temperatures dropping at night we will be expecting frost some mornings. Please remember it is important to stay off the course if frost is present. Severe damage can be caused to Bermuda grass by traffic from people or carts when frost is present. The frost delays may vary from day to day to please plan your round accordingly. Check with the Pro Shop before teeing off.
- ◆ When you start thinking about items for Christmas remember us here at the club. We can order shoes, clubs, bags , as well as issue a gift certificate for the golfers on your list.
- ◆ **As I started several years ago, we are accepting donations from CCN members to recognize our hourly employees for the holidays. Any funds received will be split up equally and given to the hourly employees before Christmas. Any amounts are gladly accepted and all donations will remain anonymous. If you wish to donate please see me or Katie in the office or you can mail it in if you choose. Deadline is Dec. 15th to donate.**
- ◆ We are having soups on Friday and Sunday's . Come by the snack bar and get a bowl before your round.
- ◆ Make sure you come out and play a round to get your ticket in the drawing for a new Titleist Driver or a Taylor Made putter. The drawing will be done on December 22nd.

## Superintendent's Report

We would like to thank the Willingham's and the First Wednesday Night Supper Club. They have redone the bunkers on 6 and 13. We will continue to do other bunkers this winter. We also need to do a better job on raking the bunkers. The day after we rake them the bunkers are filled with footprints. I would like to thank everyone for the positive comments on the new yardage blocks. For those unsure of the distances they are as follows: Red- 100 Yellow between red and white - 125 White-150 Yellow between white and blue- 175 Blue -200 Yellow between blue and orange- 225 Orange-250. There is also a sign at the putting green for your convenience. Now that we are dormant on the greens we will be changing the pins only once a week. This will cut down on the old cut plugs during the winter. The change will occur on Saturday so the weekend pins will be different. These next few weeks we will be burning leaves and other debris. We would like to apologize for the smoke but this is the most economical way to dispose of the problem. I would like to thank every member for their patience during this process.

Your Superintendent,  
Chuck Wideman

## Some Special Thanks !

I just want to give some special thanks to the First Wednesday Night supper club for the monetary donation and Jerry and Mike Willingham for their donation of time, labor and supplies to redo the bunkers on holes #6 and #13.

With this generous donation this brings our total reworked bunkers to 11 total. If any individual or group of individuals would like to help sponsor the reworking of any of the other bunkers please get in touch with me or Chuck. We still have 22 more bunkers that need some major attention. Again thanks to the individuals that have already donated time or money to course improvement.

Thanks, Brian
