

CCN NEWSLETTER February 2015

President's Message

First, I appreciate the opportunity to serve as President of the Board of Directors. As we move into a new year, CCN has numerous challenges to overcome. The golf industry as a whole is in decline. This has adversely affected the membership of the Club for several years. Myself, as well as the Board of Directors, will work closely with the Management team to overcome shortfalls in revenue by controlling costs to the maximum extent possible without adversely affecting the overall quality the membership expects. We will develop a long term strategy to maintain CCN solvency and create short term goals to increase membership, improve the golf experience, and improve facilities to meet future expectations. Please express concerns and direct comments to the Board of Directors, the Management team, or myself.

Sincerely,
James Peake
President CCN Board

CCN NEWSLETTER February 2015

Points from the Pro-Shop

By: **Brian L. Summer—Head Golf Professional/Manager**

I would like to thank all the members that attended the Annual meeting on Tuesday January 20, 2015. I think we had a very positive meeting and were able to elect 4 new board members and a new president. I am looking forward to the new and fresh ideas that the new members will bring to the board. Now that January is almost past us we can start to look forward to the spring golf season. We have a busy tournament season already scheduled and we are still in the process of recruiting other tournaments to help generate more income for the club. Just remember that most all of the outside tournaments are open to our membership that may want to participate. Just let me or my staff know and we will get you signed up. One major course project that we are about to start work on will be the replacing of the irrigation pump station on the #18 hole. I want to thank in advance all the individuals from the club that have put in time planning this project and will be donating their time and resources to make this project possible. We are in the process of designing a postcard for our membership to sponsor a friend or relative for a months free membership. This will be a way to get new people to experience what we have to offer at The Country Club of Newberry and will they will remain members after the trial membership expires. We plan to give the postcards out in the pro shop to our members as soon as we receive them from the printing company. We hope that each member will be able to invite at least one person! Lets get ready for golf season! My door is always open if you have any questions or ideas!

Thanks,

Brian

Superintendent's Report

I would like to thank all of the out going board members for their three years of service. We have already began to work with the new board on ways to maintain the facilities and keep cost at a minimum. We have taken major steps with the help of some major donations of time and money in making a new irrigation pump and pump house a reality before this growing season. On Tuesday, Jan. 27th Clarissa Childs the Newberry College Girls Coach & her team came out and filled divots to help us with this. Also we have already taken soil samples from our greens to know what they are deficient in. This will help us in determining the most cost efficient way to maintain the best possible putting surface.

Thank you for your support

Your Superintendent, Chuck Wideman
