# CCN NEWSLETTER FEBRUARY 2016

## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- ◆ I want to thank the membership for passing the approval of the one time fee at the annual meeting. These extra funds will go a long way in helping us get the golf course put back together after the floods of October. December we were right on our budget so I hope that with better weather we can turn the corner on what has been a very difficult fall and winter! Thanks for your patience with the clean up on the holes that were hit the hardest with the flood!
- ◆ I also would like to give a big thank you to the members who donated to the Christmas fund for the hourly employees. The employees were very thankful and appreciative. Thanks again!
- ◆ With February approaching, don't forget Valentines! Come spend Saturday February 13th with us upstairs for a great meal for you and your Valentine date. The menu is in the newsletter, it contains something for everyone. We will have the meal in the Dave Hayes room so make your plan to attend early! Stay in Newberry and support the club on this special night!
- ◆ Please continue to reach out to your neighbors and friends about playing a round of golf with you and the possibility of signing them up for membership. If you sign up a new member you will receive a Free months dues!
- ◆ This is the perfect time of the year to get your clubs re-griped. The tournament season is fast approaching so drop your clubs off in the pro shop and let us put new grips on all your clubs. Just stop by if we can help you with any club repair.

God Bless and Thanks for your support,

Brian

## Notes from Your Superintendent

First of all I would like to thank the members who came to the annual meeting and participated in the discussion and approval of the flood fund. I continue to appreciate the memberships patience and support during these dreadful months of weather that we have had. Your help in minimizing the turf damage by abiding by the cart path rules have helped tremendously we will continue to need your support in these areas in the coming months. Due to the conditions down around the creek the clean up of the flood damage and progress on the new pump house has slowed down. Spraying of the golf course has begun and hopefully we will not have anymore weather delays. I would also like to thank the members who participated in the hourly employee Christmas fund your contributions were greatly appreciated.

Thank you  
Your Superintendent  
Chuck Wideman
