# CCN NEWSLETTER December 2016

## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- ◆ I want to give a big thank you to all the membership that donated to the employees Christmas fund this past year. The employees were very thankful to receive this money right before Christmas and wanted me to pass along their thanks to you!
- ◆ Make sure that you are following the posted cart rules for the day! It is very important to stay off the wet areas. This compaction of the wet areas from cart traffic this time of year will take a long time in the spring to recover. We have handicap flags in the pro shop for those that have trouble walking and need to get closer to the greens.
- ◆ Please remember with the temperatures starting out the day near freezing that we will have a heavy frost most days. Just plan for us to have a frost delay which may take up to several hours to clear. It is very dangerous to the health of Bermuda grass on the course if people walk or drive carts over it when frost is present. Make sure to check in the pro shop before going on the course.
- ◆ We are in the process of firming up the dates on all our major club tournaments for the 2017 year. Please look for a tournament schedule to be posted and emailed around the time of the annual meeting in January. We have added a few new tournaments as well as some have changed dates so this new schedule will keep you informed on what is going on. I really hope that you will consider supporting all the tournaments that we plan throughout the year. We try to have tournaments for everyone, if you have an idea or suggestion that would generate more interest please let us know!
- ◆ I have just recently received the new Wilson Triton Driver . This is the driver that many of you probably saw on the golf channel during the show Driver vs Driver. I have a demo that you can play with and have 5 different models in stock. Wilson plans to have a demo and fitting day here in February or march. I also have many different items for winter golf. I have winter gloves, stocking hats, pullovers, sweat shirts, hand warmers, turtleneck shirts as well as some wind jackets. So check here before going other places if you need some winter items.
- ◆ With spring right around the corner don't forget to sign up a friend, family or neighbor for a membership here at the CCN. The Board recently made a decision to offer any member free carts fees for signing up a new member for a year as long as the new member remains in the club up to a year! You will still have the option to receive a free months dues instead. Please bring out some guests so we can get them to join! Trial memberships do not count toward this special, must be full golf members.
- ◆ I want to thank all the membership for successful 2016 and look forward to a great 2017!

God Bless and Thanks for your support,  
Brian
