Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- ◆ The 24th Newberry Invitational signup is in the Pro Shop at this time. We have made some changes in the fees for the tournament to make it more affordable. The tournament has a fee of \$700.00 per team. This includes all cart fees, cash buy in, dinner on Friday , lunch on Sunday and beer and refreshments on the course both days. We hope to have a very good turn out. We will be using the white and blue tees.
- ◆ Please spread the word about our new social memberships that are available. This is just in time for the pool opening this summer. This membership requires a yearly fee of \$250.00 and includes everything but golf.
- ◆ Don't forget to get involved with the men's, women's or senior association at the club. We have contact information in the Pro Shop if you are interested.
- ◆ Remember the used club sale will be the week of June 18th upstairs. The sale will start on Monday the 18th in the Dave Hayes room and end on Thursday June 21st. All items must be picked up the 5:00 P.M. on Thursday the 21st. The club will keep 25% of the sale price so keep this in mind when you price your items. Hope everyone will plan to bring some items and come by and shop this week.
- ◆ We are in the process of changing the menu in the snack bar. If you have some ideas or some items you would like to see let us know.

Thanks, Brian

At the request of the Board of Directors board approved minutes will be emailed out after the regular meeting has met and approved the minutes. If you do not have an email address you can stop by the office for a printed copy.

Superintendents Report

Thankfully, we have received plenty of rain in the last month. We received more rain in May than April through December of last year combined. The ponds are full and if we continue to receive the occasional shower, this summer will be much better than last summer.

In the past month, fairways, tees, and green complexes have been fertilized. We added twenty grass carp to the ponds behind the clubhouse and cart barn. I plan to add at least twenty more when we can afford them.

We are in the process of planning a member workday to work in some of the flowerbeds on the course. If any of you are interested, please contact Katie or myself with a date that will work best for you

Please check with the pro shop if you want to tee off on the back before 11:00 A.M. Early play on the back nine can impede our ability to complete important tasks.

Broken tees on tee boxes can cause problems for our mowers and are unsightly. Help the golf maintenance crew out and pick up your broken tees.

While playing, please take the time to thank our golf course maintenance staff. We are fortunate to have such a hard working group.
