## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

With May in the rearview mirror, I would like to thank the membership for their support and patience during this very busy month at the Club. We had numerous outside tournaments as well as the Invitational. We received many kind and positive remarks toward our staff and facility as a whole.

June will kickoff our membership tournament schedule. We will have the Member Appreciation Day on June 6th. This will start out with a captain's choice tournament in the morning and a cookout after play at the pool. This tournament is open to all members and their families. You can sign up as a team or an individual. The Club Championship tournament will be June 20 & 21st. It will be a 2 day stroke play and flighted by your handicap.

With the grass starting to come in and the increased dry weather we are going to put more emphasis on the cart being parked and driven close to the greens and tees. When you get to the cart signs at the greens, please keep all 4 tires on the paths. Also remember to keep the carts on the cart path on all par 3's. We do have handicap flags for disabled people that need to ride off the cart paths, just ask for one in the Pro Shop. If all members will help us out with this we will see a big improvement around the greens and tees.

And last but not least the pool is open. It will be open from 11:00 A.M.-7:00 P.M. Tuesday thru Sunday. I plan to have lifeguards on duty Friday, Saturday and Sunday. Please call Katie about pool party dates and prices.

Thanks for your support,

Brian

## Superintendent's Report

May is gone and so are two of my most experienced people. I am sure you have noticed some of the scalping around the course which was caused by the wrong mower cutting the wrong spot. These are just training mistakes that will grow back and not happen as experience is gained. We have been working on some of our bunkers, putting in more sand and cleaning them up.

The building of the pump house will start on May 30th and the new pumps are being assembled on the skid to place in the pump house. Once the project is complete we will clean up the area around the new pump house and 18 tee.

Your Superintendent,  
Chuck Wideman
