Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- ◆ I want to thank all that participated and has been active in the pump house project. I was able to use the new system this past Wednesday. We have a few kinks to work out but this will be a great benefit in the future.
- ◆ We plan to aerofy the greens the week of June 6th. This is the first of two planned aerofications to the greens this summer. This is a necessary maintenance practice for the long term benefit of turf grass. This should only be a temporary distraction for golfers.
- ◆ I have a new shipment of men and women's Adidas summer apparel , shirts and caps. These will come in several different colors. Don't forget that I can order you most any kind of bag, shoes, or clubs. Just let me know what you are interested in.
- ◆ Some things we have completed or in the process of working on the course: tree trimming, filling in holes on or around cart paths, marking off some worn areas from cart traffic and fixing numerous leaks and leaking sprinkler heads. We will keep working to improve the golf course.
- ◆ Please help us in the snack bar by returning you beverage cooler after play. These are getting quite expensive and we are having to reorder often.
- ◆ This is the perfect time of the year to sign up a friend, family or neighbor for a membership here at the CCN. The Board recently made a decision to offer any member free carts fees for signing up a new member for a year as long as the new member remains in the club up to a year! You will still have the option to receive a free months dues instead. Please bring out some guests so we can get them to join! Trial memberships do not count toward this special, must be full golf members.

God Bless and Thanks for your support,
Brian
