I want to thank everyone that participated in the PUMPALOOZA tournament. The format was a little different but I think everyone had a great time. I also want to give a big thank you to the members that couldn't play but made generous donations to the pump fund. We now have a fund set up and the proceeds of \$1490.00 from the tournament is a good start! Keep in mind that we will have more pump tournaments and are always accepting donations to the renovation of the pump station.

Thanks Again,

- I would like to thank all the members that contributed to the employee Christmas fund for their generous donations. The employees were very grateful and happy to receive this bonus. Thanks Again for your generosity.
- The weather has been tough for golf so far in December and we expect January and February to be rough golf months also. It is very important in sticking with our budget that we get our membership to support all the activities that we have planned in the upcoming months.
- I have new winter gloves, hats and jackets to help keep you warm during your winter rounds.
- This year again the weather wouldn't cooperate for the Clemson vs USC Challenge. I have rescheduled the tournament for Sunday, January 4, 2015. Bowl season will still be on so football will still be on everyone's minds.
- We have received several complaints recently about fivesomes not letting faster groups play through. I have no problem with fivesomes playing, just be courteous to the other groups playing behind you. Thanks
- The Super Bowl Scramble will be February 1, 2015 . Keep an eye out for more details.
- Thanks again for your support in 2014 and I want to wish everyone a Happy New Year.

Superintendent's Report

Well the old year is over and a new year is beginning. I would like to thank every member for their continued support of this beautiful golf course that we have. I would also like to say a special thank you to the members that were able to come out and support our PUMPALOOZA tournament either by playing or with a contribution. My crew would also like to thank all the people who contributed to the employee Christmas fund.

Now on the course, we have just about finished picking up the leaves. We will begin trimming limbs and bushes around the course this month. We have also began a project on the cart path between 6 green and 7 tee. We have ripped up the old bumpy cart path and replaced it with mulch. It will take some time, but the mulch will eventually pack into a much smoother surface to ride on. Once again thank you for your support and we look forward to keeping this golf course beautiful for you this coming year.

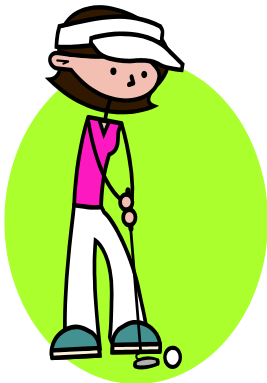

Your Superintendent, Chuck Wideman
