“ Just some notes of interest for the Spring”

- ◆ With the weather improving please call ahead and make a tee time for the weekends and holidays. There is no guarantee that we can get you on the course if you just show up.
- ◆ Please use the roped area on the driving range so the other areas can heal. I know there is not much to hit off now but the grass should fill in soon.
- ◆ The new reciprocal fee at Mid Carolina and Timberlake is \$30.00. Please remember that we need to call for you a tee time and this should only be used when we have a tournament closing the course here.
- ◆ We have a few lockers and Granite hole monuments that are available. The lockers are very affordable and a great place to leave you clubs and some extra clothes. The hole monuments are a great way to advertise your company. You can have your company logo and information on your favorite hole. Just call Katie if you are interested.
- ◆ At the last board meeting we changed the policy for a member to bring guest. A guest may play with a member (1) one time a month for the guest fee. Any other time the guest comes out he or she will pay the full price. This is for in county or out of county guest. Don't forget to refer people that may be interested in joining to me or Katie. If they join you will get a free months dues.!
- ◆ I am in the process of ordering apparel for the spring which should be in stock around the first of April. Short sleeve shirts, shorts, vest and golf shoes are all ordered for the spring. Don't forget that I have rain jackets, pants and hats in stock now.

Thanks,
Brian

Member Work Day

Saturday, March 19, 2011

I am looking for some volunteers to work a few hours in the morning on Saturday, March 19th. With the grass coming up in the fairways we need help filling in all the divots made over the winter. We don't have enough man power to fill them all in and can use some help, so if you can donate a few hours it would be greatly appreciated.

Just tell me if you can help.

Hole in One

Robert (Bob) Hartness not only knows how to teach driving skills, but also golfing skills. He approached hole #7 on a beautiful Sunday with his 5 wood in hand. He stepped up to the tee proceeding to strike the ball off the tee, heading it toward the hole on the Par 3 green. Bob's driving skills and golfing skills merged and he scored a "Hole in One".

Congratulations Bob Hartness!!!!

By Norm Foster

What do guys really say on the golf course? A college reunion leads to a game of golf amongst four friends who haven't seen each other in years.

This promises to be a hilarious performance and is not suggested for children.

So grab you favorite person and come out to some one of a kind entertainment on one of these evenings.

Play & Stay Foursome Deals:

- ◆ Show your ticket at the Country Club of Newberry for the special foursome rate \$30.00 weekend, 18 holes with cart
