FREE \*\* FREE\*\*FREE\*\*FREE**

**With Spring approaching we need your help in attracting new members. If you sign up one of your family, friends, neighbors, co-workers or church family you can receive one months FREE dues plus FREE range balls for yourself for the remainder of the year.**

**Also for a limited time Brian is offering to pay the stock fee for the next 20 NEW members that join. With no initiation fee right now the new member would only have to start paying monthly dues.**

**This will be the best deal anyone will ever receive to join the Country Club of Newberry!**

**If you know of someone that may be interested in joining come by the Pro Shop and pick up an application or give Brian or Katie the persons name and number and we will contact them in your behalf.**

## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/

- ◆ Again I would like to thank the members and guests that participated in the Super Bowl Scramble. We need this kind of turn out at all our functions and tournaments for the rest of the year.
- ◆ The next golf tournament will be the One Day Member/Guest on March 23, 2013 at 10:00 A.M. Each member can bring up to 3 guest to form a foursome or you and your guest can join another twosome. This will be a fun tournament and we plan to have a lot of prizes to give out.
- ◆ The 2013 President and Board of Directors are looking for individuals that would be interested in serving on a membership committee. If you have any interest in serving on this committee call or come by the Pro Shop as soon as possible.
- ◆ Please remember that your handicap and locker fees are due now. We do have a few lockers that are available to rent. The cost is \$60.00 a year. Also the range membership is a great option for someone that likes to practice. The family range membership is \$150.00 and the single membership is \$125.00. You can get more information or sign up by calling the Pro Shop at 276-2385.
- ◆ Feel free to stop by my office anytime you have a suggestion or concern.

Thanks, Brian

## Superintendents Report

The golf course maintenance department has had a very productive month, even with all the rain. We installed a new roof on the well house behind the cart barn. We are in the process of spraying for winter weeds, and should be finished by the end of the month. You should start to see the weeds turn yellow and die. The maintenance crew trimmed the shrubbery around the club house and the pool.

Next month we will continue work in the flower beds. The crew will be recycling pine straw and using it in the beds. We will also trim any shrubbery and native grasses in those beds.

There is a trash can filled with divot sand behind the trees at #10 tee. Please use this sand to fill your sand bottles. We are in the process of building a sand bottle container for #13 tee. The lumber used to build this container was taken from the bridge that the Wednesday night supper club donated on #16. So, a big thanks to the Wednesday night supper club for the lumber. We will put the lumber to good use. There are extra sand bottles at #1 tee for walkers. Walkers, please carry these sand bottles and fill your divots.

The golf course has received a lot of rain this month. Please avoid the wet areas, and definitely keep carts on the path around the greens and tees. With all this rain, the bunkers will at times have standing water. The maintenance crew is doing its best to keep the bunkers pumped out, but this process can take several days. Please be patient as we make it through the wettest time of year. It has been brought to my attention that broken tees are becoming a problem on tee boxes. Please remove your tee from the tee boxes after you tee off.

The Adopt a Hole Program is becoming a success. Call the pro shop and sign up for your hole before it is taken. This is a list of the holes that have already been adopted.
