CCN NEWSLETTER March 2015

Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

I was pleased with the play we had during the months of December and January but man has February been tough on golf! Lets hope that we can put February behind us and look forward to March bringing better weather and daylight savings time! Don't forget that March is a great time to get your clubs re-gripped. Just see me about the pricing and recommendations on which grips would be best for you to use. We just received a new handicap computer in the Pro shop. Make sure you have an established up to date handicap so you can participate in the upcoming club tournaments. Starting in March our tournament schedule will kickoff, and I am sure that there will be tournaments that everyone can enjoy! The first tournament will be the March Madness tournament on Saturday March 14th. We are also having a seafood meal after play if anyone would like to attend the meal that cannot play in the tournament. Just call the pro shop to let us know you plan to attend. With the amount of rain we have experienced in February please obey the cart rules as we have posted. What damage carts do now will be with us a long time into the spring. Last but not least we have in the pro shop a postcard that will enable a member to invite a prospective member to enjoy club privileges for one month and in hopes that they will remain with us as full members. I hope that each member will be able to get a postcard and invite a friend or relative to use this free trial! Lets all pray for better weather so we can all enjoy the great golf we have at The Country Club of Newberry.

Thanks,

Brian

Superintendent's Report

First I would like to say GOODBYE to FEBRUARY! Due to the cold and wet month there has not been a lot of things happening on the course. We had an ice storm that came thru and knocked down a large amount of limbs on #17. We were able to get these picked up and removed thanks to some volunteers and the staff. We have also completed the transplanting of the love grass to the putting green and 1st tee. We believe this will enhance the appearance of the putting green and 1st tee area.

Thank you for your support

Your Superintendent, Chuck Wideman
