### Rule of the Month

#### Playing wrong ball rule 15-3b

I seem to hear about this rule happening weekly at the club. A player is in breach of rule 15-3b if he makes a stroke at a wrong ball. He shall incur a penalty of (2) strokes and must correct his mistake by playing the correct ball. His playing partners incurs no penalty for his ball being played wrongfully and must place a ball on the spot from which the wrong ball was first played. I hope that this explanation will help everyone next time this happens on the course.

## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/Manager

- It seems that a lot of people are taking advantage of the range balls being added to their membership! It was a hope of ours that it would generate more golf interest. I just need to remind everyone that with daylight savings approaching in March that we must shut the range down at 8:00 P.M. in order to have all the balls picked for the next day. Again keep practicing!
- As March is approaching it is almost tournament time. “We again have a big schedule of outside tournaments for the coming months. Most of these tournaments involve one of our community organizations or non profit groups. Most all of the tournaments are also open to our membership if you would like to participate. I know the course will be tied up a lot coming up so call about using one of our reciprocals at our neighboring courses.
- At the end of February we started cooking all food to order in the snack bar. This is an effort to offer the membership and their guest better quality food and service. We are also downsizing the menu in hopes that the quality of items we offer will sell more regularly. Just remember to allow enough time for your food to be prepared as you order. Please call ahead to place your order.
- Titleist is offering a program called “The Loyalty Program”. I think this is a great incentive for anyone that likes to play the Titleist ProVI Or ProVIX golf ball. Starting March 1st and running thru April , if you purchase (3) dozen of either ball you get a dozen free. You will also get all four dozen personalized for free. This is a great way to get presents for you favorite golfers or stock up on this great deal. I will have the information on this program in the Pro Shop.

## Superintendent's Report

The golf course maintenance crew has had a very productive month, even with all the rain and snow. We have been trimming bushes and mulching beds around the course. We have also been limbing trees and planting a few also. We have been spraying pre-emergent for the summer weeds and glyphosate for the winter ones. You should be able to see the weeds turning yellow and dying. We have also put a new sand container at #5 tee. We continue to have little help with people driving to close to the tees and greens. We also have replaced all the bunker rakes on the course and not everyone uses them after coming out of the bunker.

Your Superintendent,  
Chuck Wideman
