## Points from the Pro-Shop

By: Brian L. Summer—Head Golf Professional/

- ◆ Again I would like to thank the members and stockholders that attended the annual meeting. The board and I were given some great ideas and suggestions that we plan to follow up on this coming year.
- ◆ Don't forget the seafood buffet on February 2, 2013. This meal is being prepared by several of the men's association golfers along with my staff. This is a great way for the membership to support a club function. So you still have time to purchase your tickets in the Pro Shop.
- ◆ The next golf tournament will be the Super bowl Scramble. This is scheduled on Sunday, February 3rd , a 1:00 P.M. shotgun start. The teams will be drawn by the computer. We will have a super bowl square board, super bowl trivia and a meal to follow play.
- ◆ Please remember that your handicap and locker fees are due now. We do have a few lockers that are available to rent. The cost is \$60.00 a year. Also the range membership is a great option for someone that likes to practice. The family range membership is \$150.00 and the single membership is \$125.00. You can get more information or sign up by calling the Pro Shop at 276-2385.
- ◆ Feel free to stop by my office anytime you have a suggestion or concern.

Thanks, Brian

## CCN Employee Spotlight! Blake Amerson

Blake has been a valuable asset to the Country Club since 2008. He started out servicing carts and quickly advanced to other areas including Pro Shop attendant, pool lifeguarding in the summer, assisting in the lounge and has helped with numerous outside clubhouse events. Blake was born and raised in Newberry and is the son of Melody Cotney. He graduated from Newberry High School in 2011 and furthered his education at Piedmont Tech studying to be an EMT. He is currently working full time with the Richland County EMS and still working part time with CCN. If you see Blake tell him you appreciate his loyalty to the club.

Good Job Blake!

## Superintendents Report

Over the next couple of weeks we will be spraying the course for winter weed control. Please be aware that some days the front nine or back nine may be closed for short periods, while herbicides are applied.

I have noticed an increase in cart traffic around greens and tees. Cart traffic will damage the turf and makes an undesirable playing surface. Please, stay on the cart path around tees and greens.

Please continue to fix ball marks on greens. In the winter months ball marks on Bermuda greens do not heal, so fixing your ball marks the correct way will keep the putting surface in better shape.

Sand containers were placed on the par three tees. Please use this sand to fill your divots and any other divots you see.

Winter is here and frost delays will become more prevalent. Traffic on frozen turf can damage the plant, and hinder green-up in the spring. On frosty mornings, tee times will be delayed and carts will be kept on the paths.

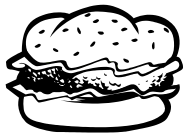

### New Adopt –A-Hole Program

We are accepting volunteers for the adopt-a-hole program. Several people have already adopted their hole, so hurry and adopt the hole you want.

The Wednesday night supper club has raised money through sponsorship of the Fall Frenzy golf tournament this is to be provided for golf course improvements. Up to \$300.00 will be awarded to individuals or groups of individuals who become part of the adopt a hole program that will begin in January 2013. Requesting funds for shrubs , sod, landscaping ,etc. (no labor cost) involves a letter including the project and budget should be sent to President of the Wednesday Night supper club and copied to the Board President.

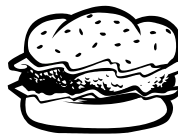

To sign up for the adopt-a-hole program contact John Hunt at 803-271-6152, or talk to Katie in the pro shop.
