Superintendents Report

We plan to spray weeds on fairways and rough areas. The herbicides will take several weeks to take effect. Bunker work will also continue throughout the summer. Please help the maintenance crew out by putting sand in your divots and repairing your ball marks.

Please remember to follow the cart direction signs. Cart traffic is a problem around greens, so remember to stay on the cart path around the greens.

“ Just some notes of interest for the Summer”

- ◆ Please remember that it is against the club policy as well as against the ABC laws to bring your own alcoholic beverages to the course. Our prices are very reasonable compared to other courses and we also have coolers available when you purchase a 6 pack or more.
- ◆ We have a new guest policy that started on Tuesday, June 21st. Each member may bring as many guest as they want to for \$30.00 each. The member must sign the guest in each time. The guest may play as many times as they like under each member.
- ◆ Don't forget the Club Championship coming up July 1st, the Nite Lite Tournament on July 8th and the Ladies Clinic on July 9th. Also start securing your partner for the Member-Member in August. This is the most fun tournament of the year!
- ◆ I have all the new golf balls in stock as well as new men's and women's shirts for the summer. If you are in the market for new golf shoes let me show you the catalogs and order you a pair.
- ◆ I have noticed an increase of people taking the golf carts too close to the greens. Please obey the cart signs and stay back from the greens. This will allow the grass to grown and the greens making chipping easier.

Thanks,
 Brian
